The need for **effective** youth employment services is urgent

Three out of five workers who **lost their job** in the UK in 2020 were aged 16 to 24. This number is expected to rise in the months and year ahead.

It's about more than just **getting a job**

60% of young people with **low qualifications** can't find a full-time job and **struggle** to meet the **cost of living.**

- Institute for Employment Studies, 2019

"A place to call home, secure and rewarding work, and supportive relationships with their friends, family and community are the foundations of a healthy life."

- Institute for Employment Studies
